

Map Feature:

<http://www.danvillechurchofchrist.org/location>

If you visit the URL above it previews the Danville Church of Christ "Location" page. However, with our design flair.

We love everything about this area. How you can see and move about the map within the page. It has all the functionality as in Google maps/

How you can click the "Directions" icon and it opens to a new browser window where you can type in your address and your destination is pre-entered.
